\*These practice dates are tentative and based on facility and player availability. It is known that high school teams do several team camps during June, so it will make it hard for everyone to be in attendance.

\*\*The Hoop Group camp will be optional for players, there will be an additional cost of about \$200 for the camp. We are still negotiating with The Hoop Group. This camp will be during the first NCAA Live Period and Fusion coaches will be there also.

Players are encouraged to attend the weekly Development Workouts in their areas; Charlottesville, Richmond, or Lynchburg. These workouts take place on Tuesdays, 6:30-8:30pm.

**2012 Team Fee - \$900**

\*fee does not include; hotel accomodations at tournaments, food at tournaments

Travel Team Packet will include financial aid information, payment plan information and fundraiser opportunities. This packet will be passed out at the first team practice.
